Portfolio Project Notes
Creation of Dating App Inspired Portfolio Website

by

Noah Campise

Abstract: These notes are to document my work on my portfolio website. I would like to have my sources for research documented and my decisions written down in order to show other's my work.

1   Research

Should stay away from orange and yellow for colors. [1]

For this first prototype, I am going to use white and blue with optionally a light or dark option

2   Conclusions

Tech Report writing is an art.
